

# COMMUNITY PACKING PARTY

## Operation Christmas Child

Come join the assembly line to pack shoe boxes with toiletries, toys, and school supplies for hurting children around the world.

Bring a toy or a toothbrush to add to what's been collected all year and touch the heart of a needy child with a shoebox full of the Good News of God's love. (No *war* toys or *toothpaste*, please.)

Our goal is to send 4,000 boxes to children in need because of natural disaster, war or poverty. Come help us pack some hope in a shoebox!
